More Information

Create a natural showpiece in your home with the honest, raw beauty of a rustic interior barn door from Simpson. These distressed doors provide warmth and character for that distinctive rustic feel.

Achieve a Rustic Barn Door One of Two Ways:

49965 door in Rustic Reclaimed Lumber

80812 door in Knotty Alder

Option 1:

A Door Using Reclaimed Lumber

- Using salvaged wood from an existing structure, our craftsmen will band saw the lumber, smooth any rough edges and apply to the face of a door.
- 10-year interior door warranty

Option 2:

Add a "Weathered With Gray" Factory Finish

- Start with any Simpson barn door and add a "weathered with gray" factory-finish. It immediately gives it an aged look and looks best when paired with a door made of knotty alder.
- 10-year interior door warranty
